***All are welcome***

For by grace you have been saved through faith, and that not of yourselves; it is the gift of God, not of works, lest anyone should boast.

*Ephesians 2:8*

# A TIME TO DECIDE

*What will you have for breakfast this morning?*

*Which school should you attend in the fall?*

*Who will you marry?*

CHOOSING – something we do day in and day out. Some decisions are very simple and unimportant but others can mean the difference between life and death.

We are all travelers on the road of life. We have a start in life and someday we will all reach the end of the road. We are not robots that have been preprogrammed as to our destiny. We have the God-given responsibility and privilege of free choice. We choose our route and we end up at its destination.

It comes down to this. We are all headed toward an eternal destination, one of two places, either heaven or hell. We do not deserve heaven because we have ignored God and left Him out of our lives.

But in His grace, He holds out a hand of mercy. This hand of mercy is the offer of salvation through His Son, the Lord Jesus Christ, who died upon the cross to pay the penalty for our sins. God offers this unconditional pardon to every person on earth. But each person has to make the all-important choice: either to accept God's offer of forgiveness and a home in heaven, or to reject it. It is your decision.

*What do you choose?*
